Class Name: Blaise

Term 6 2025-2026

Topic: Summer

What we have been doing this term:

Blaise class have stepped slightly off course from thinking about food this half of the term and started to think about the summer. We have been reading a poem all about the sights, smells, sounds, tastes and feels of summer and we have all shown how clever we are by correctly indicating what we should wear/use in hot weather.

We have also been food shopping and had a go at making ice cream, pretend at first to get used to the texture and then real the following week, everyone loved using the whisk! Another great treat we made for our families was sticky granola bars.

We all made some lovely art work from Father's Day cards and England flags to wildflower meadows using lots of paint, shaving foam, squeegees and pompoms while practicing our grasp, release and pull techniques.

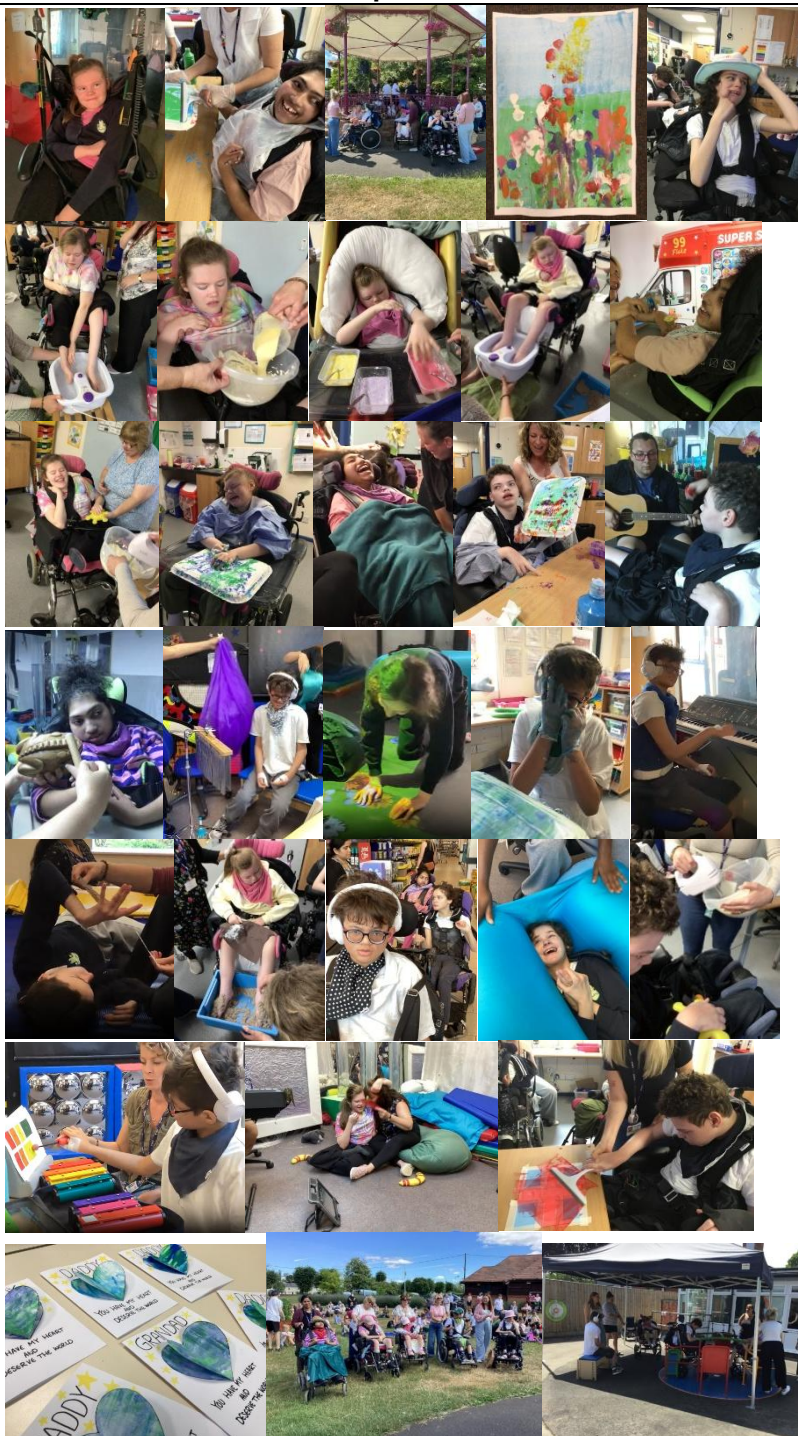

We have enjoyed many opportunities to get outside this term, playing on the roundabout and swing and taking walks around the field. Open Orchestra also continued this term, and we added verses to our set. Everyone worked so hard on playing their musical instruments and it was such a wonderful experience for us to join the school at the bandstand in Newbury to perform it to the school and public who watched.

Our music therapy sessions have been going well with Tim and Carmen and we are excited to welcome our families and SLT to our final one of the academic year - we hope you all enjoy it as much as we do!

Lastly, we are sad to be waving a fond farewell to Kira Tucker who will be leaving the Castle school at the end of this term. We wish her all the best and want to thank her for being such a fantastic member of Blaise these past 3.5 years.

Have a wonderful Summer ☺

Some photos of us!

Dates & Points to remember:

- Wow Now concert: Tuesday **21st July** @11.00
- Last Day of school: Tuesday **21st July** @15.00
- Summer Holidays: **22nd July – 3rd September**
- School Starts: **Monday 7th September** (Blaise only)
