Class Name: Danby

Term 6 2025-2026

Topic: Money, Money, Money

What we have been doing this term:

Another busy but wonderful final term!

Cooking: Our increasing independence in the kitchen has shone through this last term in our cooking sessions. Especially following visual instructions to collect equipment with minimal adult input. We have focused on using the hob safely and we have been so impressed with everyone.

Maths: We looked at time and data collection. The whole class has made fabulous progress building the date in circle time each day.

English: We have explored shopping lists, identifying ingredients and equipment from recipes and 'buying' the ingredients.

PSHE: We looked at personal hygiene and timed the duration of each daily task (brushing teeth/hair). We've also explored how our bodies change as we grow and public and private.

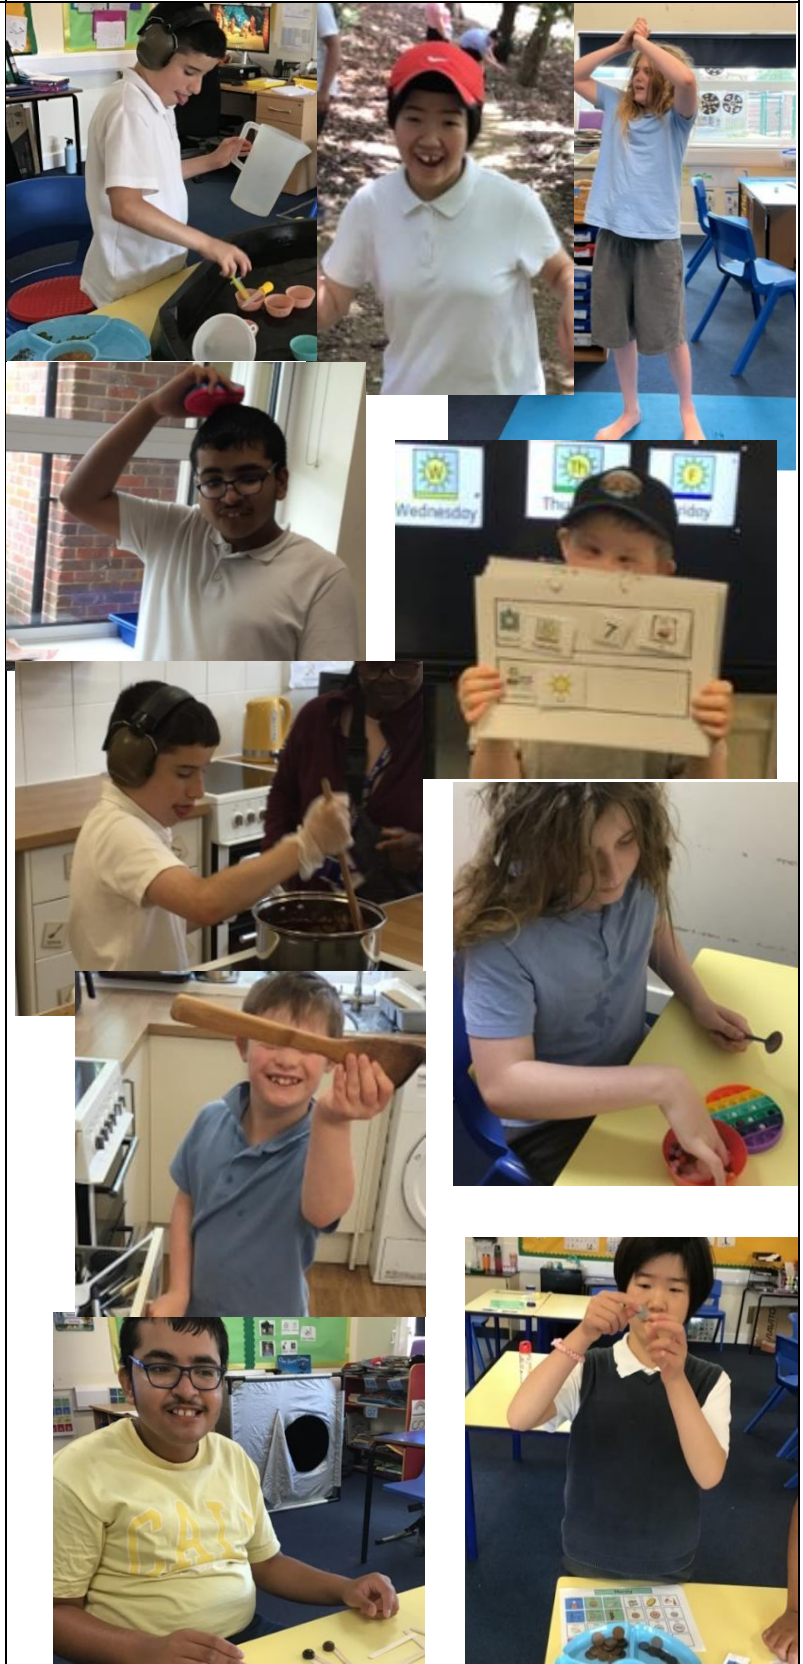

We enjoyed an exciting visit from a theatre company for a performance of The Secret Garden. We have loved our weekly soft play sessions this term and visited the woodlands a few times too.

We have participated in a weekly activity afternoon with the other classes in Team Tudor. This has included yoga, parachute games, arts and crafts and a Toy Story party, which was a favourite! This has been lovely for the class to spend time with other peers and access a variety of activities. Our last activity afternoon will be a Tudor Team picnic on the field.

Thank you all for your continued support across this year. We are so proud of Danby class and all their fantastic moments and achievements across the year. We hope you have an amazing summer holiday!

From Paloma, Pearl, Nick & Victoria 😊

Some photos of us!

Dates & Points to remember:

Last day of term: Tuesday 21st July

First day back: Friday 4th September 2026
