Class Name: Portchester Term: Summer 2 Term 6 2025-2026 Topic: People and their Jobs.

What we have been doing this term:

As we come to the end of another fantastic term, we'd like to say a huge thank you for all of your support. We are looking forward to finishing the year with lots of fun, including our team picnic and a visit to the park.

This term, we have really enjoyed our Tudor Team activity afternoons, where students have mixed with friends from across the team to take part in rounders, yoga, painting and sensory play. Our Tudor Toy Story party was a particular highlight, making slime, watching the movie, making aliens and playing with Mr Potato Heads brought lots of smiles to us all.

We were incredibly proud of the class at our annual Bandstand event. Everyone travelled brilliantly, represented the school so well and, as always, supported and encouraged their peers throughout the day. As always, they really did us proud!

In class, we have continued to develop our independence, especially during our cooking sessions. The students amazed us with how confidently they baked cookies with very little support, showing fantastic teamwork and growing independence.

We have also spent time thinking about what makes a good friend, how to work together and ways to resolve conflict positively. It has been lovely to see the students putting these skills into practice and showing kindness and respect towards one another.

We have been keeping cool while developing our problem-solving skills using water and sponges, working together to complete different challenges and exploring the best ways to stay cool and keep safe in the heat.

We also celebrated Jon with a special painting party. Portchester enjoyed making props for this such as supersized pencils, painting pallets and paintbrushes! We wish him all the very best as he begins his next adventure.

Have an amazing summer and we look forward to welcoming everyone back in September. ☺
