

Classroom News

Class Name: Cardiff

Topic: My Body

Term 6 2025-2026

What we have been doing this term:

Some photos of us!

Our topic this term has been My Body. We've had lots of fun exploring this topic through songs, and hands on experiences.

In English, we have mainly focused on our sentence building with the use of colourful semantics. We have explored this with pictures of motivating characters, and used the symbols to describe who it is, and what they are doing. We've also had opportunities to practice our fine motor skills.

In maths, we have been exploring time and number. We used classroom sand timers to count down to characters winning a race. We also used 'now and next' boards to understand the passing of time during our day.

We have been focusing on our communication skills in Let's Connect and Mr. Potato Head sessions. We've done well with asking for 'more' and requesting different body parts for our Mr. Potato Head!

Food play has been a lot of fun this term. We looked after the Barbies who had been covered in sticky angel delight. They needed a good wash!

Of course, it has been very warm- so we've had lots of fun outdoors with the paddling pools!

Rebound continues to be a highlight of our week, with it developing not only our physical skills, but also our communication.

We hope you have a wonderful summer break.

Becca and Cardiff Class Team

Dates & Points to remember:

Last day of term: Tues 21st July 2026

Staff training: Weds 2nd and Thurs 3rd Sept. (Pupils not in school).

First day of school: Friday 4th Sept.
