

Classroom News

Class Name: Whittington

Term: 6 2025-2026

Our local Community

What we have been learning this term:

What an amazing year it has been! We could not be prouder of Whittington Class of 2026. Watching you grow together and bond as friends has been a joy!

Our students have been taking Functional Skills English and Maths assessments over the last few weeks. Some, in addition have worked hard towards completing BTEC assignments in Land Based Studies, Health and Social Care, PGW and more. Everyone should be extremely proud of what they have achieved this term.

Land Based Studies students toiled in all weathers, pouring rain and extreme heat to ensure the edible garden is flourishing at Earth Trust.

In Personal Growth and Well-being, we studied social relationships and their impact on our welfare. We talked about challenging stereotypes, taking risks and how important our friendships are to us.

Highlights of the year:

Kurtis: Nature walks and cooking.

Sawyer: Hanging out with friends at Earth Trust.

Lilly: Being in this class with all my friends.

Harrison: Getting a Level 2 climbing certification.

Marcus: Making gingerbread, tasted great.

Dilan: Eventful times at parkour.

Eric: Dungeons and Dragons.

Hugo: Connecting with my peers.

Best wishes to our leavers for their next steps in their new provisions. We are so proud of the way they settled during transition sessions - a credit to our school. Although we will miss them, we wish them the very best for the future. We know they are ready for a new challenge.

Have an amazing summer holiday! ☀️

Whittington Team

Karin, Arron, Shaz and the KS4 team
