Class Name: Chepstow Term: Summer 2 2026

My Body

What we have been learning:

Hello and welcome to the final Chepstow Newsletter of the year. We have made so many amazing memories, formed beautiful friendships, and had so much fun along the way. In our **'My Body'** topic, we have enjoyed learning all about our bodies and what they can do. In **Literacy, Communication and Language**, we listened to stories, used Makaton to sign various parts of the body, and used Communication Boards to describe ourselves. In **Maths**, we named and recognised 2D shapes and learned about capacity, including the concepts of full, empty, and half-full. We have continued to develop our turn-taking skills through **'Pass the Bag'** activities and during our **RISE Therapy** sessions. We have used our senses to explore all the amazing things our bodies can do. In **Personal and Social Development**, we learnt the NSPCC PANTS rule and why our bodies are important and belong to us. We also learned about the importance of staying safe in the sun by wearing sun cream, putting on a sun hat, and making sure we drink water. We have especially enjoyed our **Hydrotherapy sessions**, and the children thoroughly enjoyed splashing Jo! We have little dolphins in Chepstow! *I would just like to say it has been an absolute joy and privilege to teach your children this year. They are all incredible, and I look forward to seeing them again in September.* **Thank you, have a wonderful summer, and we will see you all in September.**
Love from Jo, James, Penny, Cath, and Chloe xx

Important Dates

Friday 4th September – First Day of Term 1
 Friday 4th September and Friday 2nd October – Dr Siddiqui
 Wednesday 16th September and Friday 16th October – Flu Immunisations
 Tuesday 6th October – Dr Hughes
 Friday 23rd October - Last Day of Term 1
