

Classroom News

Class Name: Wallingford

Term 6 2025-2026

What we have been doing this term:

We cannot deny this has been the hottest term in our student's memories! We have tried to keep cool with ice play and cool foot spas and the occasional trip to a splash park!

We visited Finkley this year where we always know we will have a great day feeding goats and sheep, stroking the rabbits, visiting the soft play and bouncy pillows. This summer we visited Coat Water for the first time to experience the splash park, and it was so good we went back! We loved the water on our toes and splashed in our faces – I think Emmy, Megan and Alex loved drenching Emma and Mav more than anything else they have done this year!

For 5 members of the class, this is their final term and final newsletter from Castle school. They have been part of our Castle community since their primary school journeys began. They have grown into the most awesome group of young adults and it has been a privilege for us to have spent their final 3 years supporting them through their transitions to adulthood and the next stages of their lives.

What an epic group these guys are!

Much love,

Emma, Michalea, Tracy, Sharon and Mav
