

Classroom News

Class Name: Thornbury

Term 6 2025-2026

What we have been doing this term:

As we come to the end of another fantastic year, we are incredibly proud of everything Thornbury Class has achieved, especially considering the levels of change they have experienced.

Over the past few weeks, students have had lots of opportunities to collaborate with Key Stage 4 classes in preparation for their next steps. For many of our pupils, this has been a wonderful opportunity to build confidence, develop new friendships and become familiar with their future learning environments ahead of their transition.

A huge congratulations goes to all our students for completing their Functional Skills Entry Level 1 English and Maths assessments. They have worked incredibly hard throughout the past few months, and we are so proud of the perseverance and determination they have shown.

The excitement of the FIFA World Cup has also brought plenty of learning opportunities into the classroom! Students have enjoyed making predictions, analysing matches and discussing different styles of play. It has been fantastic to see their enthusiasm, teamwork and growing confidence in sharing their ideas.

Finally, I would like to say what an absolute pleasure it has been working with every member of Thornbury Class this year.

Have a wonderful summer break, and good luck for the future!

Louella, Lorna, Jonny and Donna 😊

Some photos of us!

Dates & Points to remember:

First day back – Friday 4th September 2026
