

Classroom News

Class Name: York

Term 6 2025-2026

Topic: Food Detectives

What we have been doing this term:

This term, our topic has been Food Detectives. In English, we explored the stories *Too Pickly* and *Good Enough to Eat*. Everyone engaged in sensory stories and a range of activities linked to the books. We have also continued developing our caption writing skills using Colourful Semantics. Everyone has also continued working on individual targets in Level 2 Phonics.

In Maths, pupils have been working towards their individual number targets and have particularly enjoyed our messy maths sessions.

In Cooking we have been practicing building independence during food routines. We have made sandwiches, fruit skewers and alphabet bread, as well as practising our chopping skills with a variety of vegetables.

Alongside this, we have continued working on individual EHCP targets and focused on developing attention and communication skills through structured sessions such as RISE and Bucket Time.

Thank you for your continued support, and we wish everyone a wonderful summer holiday!

From Evie, Ruby, Traci, Andie and Ellie 😊
