Term : Summer 1 2022

Dear Parents and Carers,

As the weather has improved we have seen a lot more outdoor learning, which has been wonderful. As we head out of the pandemic, more and more classes have planned trips out, which really helps to widen the learning experience for all students. This term we have seen several classes heading to Yowlbury Activity Centre where they have taken part in Crate Stacking and Abseiling. This is somewhere we haven't visited for over 2 years!

Next term we hope to see a continuation of visits and activities outside the classroom and in the local community. More details of any events will be posted on our website

Although Covid illness appears to be reducing, in order to ensure we stay safe and can continue to have classes open we need everyone to continue to work together. With this in mind, please do read the latest protocols on our website [The Castle School - Castle School Parent/Pupil covid-19 protocols](https://thecastleschoolnewbury.org.uk/covid-19-protocols) (thecastleschoolnewbury.org.uk)

The key points are as follows:

- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend.
- Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days.

As I have said before, despite the continued
