Term : Summer 2 2022

Dear Parents and Carers,

It may have been a shorter term, but that hasn't stopped our class teams making the most of the time available. Everyone has been incredibly busy with fantastic learning opportunities for all our young learners. Excitingly, we have had several, really wonderful whole-school events – something that we haven't been able to do for the past 2 ½ years! We had our Platinum Jubilee celebration event with lots of craft stalls and activities. We have had sports day where secondary students completed in a variety of races and challenges. Primary had a fun afternoon, where parents came in to enjoy time experiencing the joys of learning and having fun (water and jelly were key elements here ☺). We also had an amazing morning at the Victoria Park bandstand where classes performed a variety of things from singing to drama.

All the above has led to a lovely ending to this rather strange school year. I am now looking forward to more of these events next year.
