

Headteacher News

Term 5 2022-2023

Dear Parents and Carers,

I thought that I would use this term's newsletter to highlight our upcoming fete. Due to Covid we have not had a fete since 2019, so put this date in your diaries and come along to support our wonderful school.

There have been lots of other wonderful things going on and you can read more about them in the Class Newsletters which can be found on our website here [The Castle School - Class Newsletters \(thecastleschoolnewbury.org.uk\)](http://thecastleschoolnewbury.org.uk)

Although we are in the warmer summer months, there is some illness still around. As such, we need your help to ensure illness does not spread within our school:

- If your child has a temperature, they should stay away from school until the temperature has returned to normal. A high temperature is **38C** or above.

Some photos of our learning

Coronation celebrations took place across the school

A day at the races for Oxford Class

A barge trip for Skipton

- If your child is not well enough to be in school, they should remain at home. This can be difficult for parents, which we fully understand. But the impact of illness spreading through a class can result in that class being closed for longer, which will have a longer impact on everyone.
- If your child has been sick or had diarrhoea, they should stay at home for at least **48 hours** from when they last had a bout of either sickness or diarrhoea.

For more information and news please visit us at www.thecastleschoolnewbury.org.uk

I wish all our pupils, staff and parents a lovely half term break. Please note that the last day of term is **Friday 26th May 2023** and pupils return to school on **Monday 5th June 2023**

Many thanks, Jon Hewitt (Headteacher)
