Term 5 2023-2024

Dear Parents and Carers,

As another term comes to a close, we reflect on a busy term that we have had. Windsor class had a successful time at the Agricultural Challenge and won 1st place overall. An amazing achievement! We have had various classes heading out to Youlbury for a variety of exciting activities including archery and abseiling. World of work has continued with some brilliant experiences, including working at the entry gates taking tickets to events. There is so much more to see in individual class newsletters.

They can be found on our website here [The Castle School - Class Newsletters \(thecastleschoolnewbury.org.uk\)](https://www.thecastleschoolnewbury.org.uk)

We have also recently updated our website. We have a new section dedicated to safeguarding, which can be found here <https://tinyurl.com/39n7t828>

There is also a brand-new section on our wonderful World of Work. Click here <https://tinyurl.com/yu9rmrxy> to find out more.

We have had an increased number of stomach bugs this term and we really do want to keep everyone safe. Can I remind everyone to follow the guidance below

- If your child has been sick or had diarrhoea, they should stay at home for at least **48 hours** from when they last had a bout of either sickness or diarrhoea.
