Ethnic group completion form (based on the new national population Census ethnic categories)

Our ethnic group describes how we think of ourselves. This may be based on many things, including, for example, our skin colour, language, culture, ancestry or family history. **Ethnic group is not the same as nationality or country of birth.**

The information Commissioner (formerly the Data Protection Register) recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Pupils aged 16 or over can make this decision for themselves.

Please study the list below and tick one box only to indicate the ethnic group of the pupil or child named above. Please also tick whether the form was filled in by a parent or the pupil.
